## GET YOUR FLEET IN 10 DAYS!

Introducing the nation's first and only police bailment program. CAP Fleet, one of the largest and most experienced police supply equipment distributors and upfitters, now offers fully-equipped police vehicles complete and ready for immediate delivery or pickup. We work directly with General Motors, Ford and Chrysler for a convenient and hassle-free experience from vehicle purchase to up-fitting to delivery. We understand Chiefs and Fleet Managers don't have months to wait or resources to waste. Whether you're looking for affordable, flexible options for fleet expansion or need to replace a vehicle quickly, count on CAP Fleet Prebuilt for the finest installation service, the best American-made equipment and unsurpassed customer support.
