What Comes with Q Series 100 & 200 Sticks

Both the Serial series and the 3-Mode series are available in the 100 and 200 lights stick options. Let's talk about what these come with. Both the 100 and 200 lights sticks come with the 3-ft harness. The Q 3-mode 100 and 200 light sticks come with 6 wires with 3 programmable modes while the Q Serial 100 and 200 light sticks come with 4 wires with 2 wires for serial connectivity, both the 100 and 200 come with the bolt assembly that mounts in the rail located in the back of every stick. There's 5 optional brackets to pick from when mounting your light stick. A single L, a double L, a rotating bracket, a window mount bracket, or a headliner bracket. And last, we offer two end cap brackets, a short version, and a tall version for rotating adjustability. That concludes what comes with the 100 and 200 light sticks, along with the 6 available mounting options.
