DESCRIPTION:

Introducing the Feniex Fusion-S License Plate Mount. Engineered with precision and innovation, this cutting-edge license plate mount delivers the brightness of the Fusion-S line in your choice of Red, Blue, Amber, White or Green, empowering you to command attention and enhance safety in any situation. The Feniex Fusion-S License Plate Mount is built with Fusion-S single-color modules featuring a 40-degree optic that is 60% brighter than the previous Fusion family, compatible with any 12V switch or controller and syncs with all Feniex smart modules using 3-mode technology.

- Flood, Cruise, and Stop, Tail, Turn pattern capable
- Available in Red, Blue, Amber, White or Green (single color per unit)
- Syncs with Fusion-S, T3, Cannon, Under Mirror Puck and Q Series products
- 6 high-output LEDs per module
- Two Fusion-S modules behind a one-piece cast aluminum cover
- License plate remains fully visible through the cover window
