DESCRIPTION:

The Fenix Interior Visor Light is a compact, flip-down interior warning light designed for discreet, high-performance functionality. Featuring 36 high-powered LEDs across two light heads, it straps directly to your vehicle's sun visor using pre-installed hook-and-loop fasteners. When deployed, it provides bright, widespread warning output—then folds up and stows away for a low-profile, undercover setup when not in use.

- Available in 7 color variations: Blue, Red, Red/White, Red/Blue, Amber/Blue, Amber/White, & Amber/Green
- 24 available flash patterns
- Lumens: low beam-3400LM, high beam-7500LM
- Compatible with any 12V communication controller
- Comes with standard mounting hardware

Die-cast aluminum

Anti-yellowing & anti-cracking clear-coated polycarbonate lens
