DESCRIPTION:

Introducing the Feniex Q Serial 2X Shroud, bringing the first 5-color, serial perimeter light to the windshield or rear glass. Engineered with precision and innovation, this cutting-edge 2X shroud offers a spectrum of colors including Blue, Red, Amber, White, and Green, empowering you to command attention and enhance safety in any situation. The Feniex Q Serial 2X Shroud lightheads are built with state-of-the-art serial technology that connects using 2 serial wires to the Q Link device. You can sync up to 48 lightheads to the Q Link device and program any function and color using our intuitive Q Link Software.

- Blue, Red, Amber, White, and Green colors in each module
- Syncs with up to 48 lightheads using one Q Link device
- Comes with unlimited use of Feniex's Q Link Software
- 27 programmable inputs with Q Link device (sold separately)
- Available functions include Flood, Cruise, and Stop Tail Turn and more
- Two Q Serial modules in a low-profile PC/ABS shroud with diamond-polished Feniex logo
- Shroud design blocks glare back into the cabin

Anti-yellowing & anti-cracking clear-coated polycarbonate lens
