Mic Bracket

## CERTIFICATIONS:

## DESCRIPTION:

The Storm Pro 200W Siren packs a punch, producing 130 decibels of clear, thundering sound in 21 programmable tones. The leading siren for pursuit and response vehicles, the Storm Pro 200W is dual-tone capable with remote activation that allows for universal compatibility with non-Fenix controllers. For maximum impact, pair your Storm Pro police siren with the Fenix Triton speaker and the Fenix 4200 Data-Link controller. Meets or exceeds SAE J1849 standards.

- 200W power output
- 21 programmable tones
